## JLT Mission:

The Junior League of Tallahassee is a non-profit organization comprised of women committed to improving the lives of children through the effective action and leadership of trained volunteers.

~ Founded 1949 ~

## Brehon Baby Bonanza Makes Huge Community Impact: Done In A Day Has Done It Again!

By Nicole Hobbs, Chairperson

WOW!! What a fantastic event! It was even better than an episode of Trading Spaces. Our league members did work that would make even Frank and Vern Proud. Thanks to the hard work of our actives and provisionals we completely made over all 8 rooms at Serenity Shores Maternity Home in just 4 hours.

Our make-overs included border, new bedding, a much needed floor rug and new table lamps. We were also able to reorganize (thanks to Karena Miller and her hardwork-

ing crew) and completely restock both their baby/Mom closet and their supply closet. The before and after pictures are amazing!!!!

The staff and all the moms at Brehon were so appreciative!! They could not believe all the work we were able to get done in just one day!

For most of the residents at Serenity Shores this is the first stable home environment that they have ever experienced. What a great start for the moms and new-babies! Thanks to the hard working volunteers that made this all possible. Continued on Page 5.
